Dear Unify Shareholder:

You are cordially invited to attend the Annual Meeting of Stockholders of Unify Corporation to be held on April 8, 2010 at 9:00 a.m., Pacific Time, at Unify Corporation, 1420 Rocky Ridge Drive, Suite 380, Roseville, California 95661.

At the meeting, shareholders will vote on two proposals: (1) the election of seven members to the board of directors; (2) to ratify the appointment of Grant Thornton LLP as Unify's independent auditors for fiscal 2010. Your board of directors recommends a vote "FOR" these proposals.

Your vote is important and we encourage you to vote promptly. After reading the proxy statement, please promptly mark, sign and date the enclosed proxy card and return it in the prepaid envelope provided. Alternatively, you may vote your shares via a toll-free telephone number or over the Internet. Instructions regarding all three methods of voting are provided on the proxy card.

Let me provide you with some key business highlights. It was over a year ago that we decided to leverage the difficult economic situation as an opportunity to grow our business. Our goal was simple: find great technology with good customers at a great price to strategically grow Unify. It was this focus that allowed us to complete the acquisitions of CipherSoft and AXS-One during the first 6 months of 2009.

With CipherSoft, we expanded our migration solutions portfolio to include Oracle Forms in addition to Lotus Notes and mainframe migrations. We are executing on the strategy to build a best of breed migration solution portfolio to address some of the largest legacy application markets where on-going maintenance costs are escalating which is forcing organizations to look for alternatives.

We entered into a new and high growth market with AXS-One acquisition. Content archiving and eDiscovery have been identified by industry analysts as top funded initiatives over the next several years. According to Forrester Research, companies will spend over \$4.8 billion on eDiscovery technology by 2011. The acquisition of the AXS-One products and customer base bring us into an exciting and dynamic market where we have immediate leverage, an impressive customer base and industry recognition. We are poised for growth with this acquisition.

We launched new products in our software tools and data management business, which continues to be a steady, core part of our company. We are gaining new customers, expanding into new regions and cross selling solutions to customers across our entire portfolio.

This is an exciting time for Unify. We thank you for your participation and support as we diligently work to take Unify to the next level. I ask for your consideration in support of our two proposals.

Sincerely,

A handwritten signature in black ink that reads "Todd E. Wille".

GENERAL INFORMATION

Annual Report. Our Annual Report on Form 10-K for the fiscal year ended April 30, 2009, is enclosed with this Proxy Statement.

Voting Securities. Only stockholders of record as of the close of business on February 8, 2010 will be entitled to vote at the meeting and any adjournment thereof. As of that date, there were 10,122,708 shares of Unify common stock, par value \$0.001 per share, issued and outstanding. Stockholders may vote in person or by proxy. Each stockholder of record as of that date is entitled to one vote for each share of common stock held on the proposals presented in this Proxy Statement. Our bylaws provide that a majority of all of the shares of the stock entitled to vote, whether present in person or represented by proxy, shall constitute a quorum for the transaction of business at the meeting. Votes for and against, abstentions and "broker non-votes" will each be counted as present for purposes of determining the presence of a quorum.

Solicitation of Proxies. We will solicit stockholders by mail through our regular employees, and will request banks and brokers, and other custodians, nominees and fiduciaries, to solicit their customers who have Unify stock registered in the names of such persons and will reimburse them for their reasonable out-of-pocket costs. We may also use the services of directors, officers and others to solicit proxies, personally or by telephone, without additional compensation.

Voting of Proxies. Except as described below, (i) All valid proxies received prior to the meeting will be voted; (ii) All shares represented by a proxy will be voted, and where a stockholder specifies by means of the proxy a choice with respect to any matter to be acted upon, the shares will be voted in accordance with the specification so made; and (iii) If no choice is indicated on the proxy, the shares will be voted FOR each director nominee and IN FAVOR of proposal no. 2. A stockholder giving a proxy has the power to revoke his or her proxy at any time prior to the time it is voted by delivering to the secretary of the Company a written instrument revoking the proxy or by delivering a duly executed proxy with a later date, or by attending the meeting and voting in person.
